

Design Highlights for Garden Party

Garden Party is fun, festive, and perfect for get-togethers large and small. A very comfortable space to share with company; your guests will want to relax, settle in, and sit-a-spell. Garden Party is a warm welcome and good times for everyone!

A VICTORIAN GAZEBO NESTLED IN A BEAUTIFUL ROSE GARDEN – host a Victorian gala! Serve finger sandwiches and tea while your guests stroll among the beauty and fragrance of your roses.

THROW A BIG DINNER PARTY – plenty of room for cooking in your outdoor kitchen, dining under the pergola, or lounging with dessert in front of the fireplace. Move the chairs and open the dance floor!

HAVE A FUN DAY AT THE LAKE, WITHOUT LEAVING HOME – sit on the boulders and dangle your feet in the water. Relax and read or nap on the pier right next to a cascading waterfall – very soothing. Don't forget the sunscreen!

PACK A PICNIC LUNCH – the perfect spot to spend an hour in the middle of the day. Your picnic table overlooks the pond and fountain. Watch the koi and watch the time; don't be late getting back to work!

WARM YOUR TOES AND MAKE SOME S'MORES – late fall or early spring is just right for sitting around a campfire in the woods. Tell stories and have great times under a full moon.

ROOM FOR PARTY GAMES, TOO – open space for croquet, volleyball, or Bocce ball. Plenty of room for the kids' swing set and play area. You will have the most popular yard in your neighborhood. Party on, dude!
