

Design Highlights for Love in Bloom

A garden of love, happiness, and beauty - Love in Bloom is for anyone in love, and in love with nature. Stroll hand-in-hand surrounded by lovely flowers, sensual textures, and exotic fragrances. Every couple needs a special place where they can relax and let their hair down. Love in Bloom is it!

ROMANTIC CENTER COURTYARD – enclosed by a stone wall with huge archways to let you know you are entering a special place. A nice collection of Japanese Maples all around will add warm colors spring and fall. Spring bulbs will put on a show.

HEART-SHAPED POND WITH A LOVEBIRD FOUNTAIN – a delightful place to sit together on a white swing made for two. Smell the thornless rose growing on the arbor overhead. Talk about your day and make your plans for a romantic evening.

PRIVATE COUPLE'S RETREAT – fence and tall evergreens provide complete privacy. Soak in the hot tub, lounge on comfortable chairs, relax and enjoy each other's company. Start a fire on cool evenings under the moonlight.

CUDDLE OR TAKE A NAP ON YOUR HAMMOCK FOR TWO – newlyweds or 30-year couples will have fun together here. The flowering shrubs create a wonderful atmosphere. No one will know you are there.

SPEND QUALITY TIME TOGETHER – plant your annuals each spring and appreciate the beauty later. Or, each have your own plant collection. He collects Coleus, she Caladiums. Admire each other's work.

HAVE A PARTY ON THE PATIO – have dinner under a big umbrella with the sound and sparkle of the fountain next to you. Songbirds and butterflies will be the entertainment as they fly from flower to flower in your garden of Love in Bloom.
