

Design Highlights for Southern Comfort

Southern Comfort lives up to its name. This friendly garden will welcome you, embrace you, and make you feel right at home. Rich textures, heady aromas, and a colorful feast for the eyes – all in a formal, timeless setting.

A FLOWER GARDEN ENTRY SETS THE STAGE – enter into a flower-filled foyer that immediately makes visitors sense something special is about to be revealed.

ENJOY THE SPRING SHOW – a spectacular spring garden starts the year off right. Planted for maximum color early in the year. Use the fire pit for chillier days.

FORMAL CENTER COURTYARD – featuring a large fountain centerpiece, classical urns filled with southern favorites, and lushly planted, sharply edged flower beds. Rustic brick pavers lead the way to explore the rest of the garden.

BOCCE BALL COURT WITH SEATING AT BOTH ENDS – visually stretches the garden while adding a fun game for family and parties. Patio and pergola provides a wonderful place for conversation while watching the games.

TREE-LINED ALEE CONNECTS TWO GARDEN ROOMS – after dinner in your outdoor dining room, stroll through the shaded alee, admiring the Rhododendrons and Azaleas, then have dessert or a mint julep and enjoy the evening with friends.

LARGE DECK FOR GARDEN PARTIES – start the barbeque, serve fresh lemonade and homemade ice cream with warm blueberry cobbler. Your guests will appreciate the hospitality of your Southern Comfort.
